

POSITION ANNOUNCEMENT

Laboratory Technician Temporary Hourly Environmental Analysis Facility

The Environmental Analysis Facility at the Desert Research Institute in Reno, NV, is seeking a part-time (20 hours per week maximum) hourly laboratory technician to work weekend or graveyard shifts assisting with sample preparation and analysis in an analytical laboratory. Depending on experience and skills, other duties may include operation of analytical instrumentation including a GC/MS, Elemental Analyzer, HPLC, IC and Thermal/Optical Carbon Analyzer.

QUALIFICATIONS

- High school diploma or equivalent with at least one year of college or equivalent work experience.
- Must have at least one year of experience in an analytical laboratory or research laboratory
- Ability to be able to operate delicate laboratory equipment.
- Must be able to work with little or no supervision; attention to detail, integrity and good analytical techniques a must.
- Background in physical or life sciences is preferred.
- US Citizenship

HOURS / PAY

Max 20 hour per week on graveyard and/or weekend shifts. \$12/hr, no benefits.

APPLICATION / REVIEW PROCESS

Applicants are required to submit a cover letter and resume addressing your interest and specific qualifications for this position and a [DRI Hourly Employment Application](#). The application form is available at <http://www.dri.edu/careers> under the Hourly Positions section. Send cover letter, resume and application form to recruit@dri.edu. To learn more about DRI visit us at www.dri.edu or call the recruitment office at 702-862-5548.

The Desert Research Institute (DRI) is an affirmative action/equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity or expression, genetic information, national origin, age, political affiliation, disability status, protected veteran status or any other characteristic protected by law.

DRI employs only U.S. citizens and persons lawfully authorized to work in the United States.
