Hi Justin,
I am a grad student here at DRI/UNR, working with Alan Heyvaert in DHS. I'm also a member of SAIWI, hoping to get some help distributing information about our upcoming fundraiser.

The 12th Annual Ron Petersen Memorial African Dinner, March 28, 2015 held in the California Building in Idlewild Park. The event flyer is attached.

**SAIWI** is run by UNR graduate students and completes water sanitation and health projects all over the world.

Let me know if you think you can circulate an email with event information or have any other thoughts on PR for the event here at DRI.

Thanks for your help,
Harrison
