

THE OFFICERS OF THE DRI RESEARCH FOUNDATION BOARD

The essence of the DRI Foundation is found in its leaders, those willing to dedicate their time and effort to the advancement of DRI. A 30-member volunteer Board of Trustees works with DRI's President to focus on private funding opportunities to increase DRI's strength and broaden its reach throughout Nevada, across the Nation, and around the World.

DRI FOUNDATION FELLOWS

DRI Foundation Fellows serve with the Board of Trustees of the DRI Foundation and act as advisors and ambassadors to the Board in order to increase DRI's and the DRI Foundation's strength and broaden its reach throughout Nevada, across the Nation, and around the World. The Foundation Fellow helps, as requested, with special projects, to support the mission of the Desert Research Institute. Foundation Fellows are invited, but not required, to participate in yearly special events, attend Board meetings and Board committee meetings, and have access to all communication provided to the Board.
