### Research Interests and Expertise

---

With a B.S. in geology, an M.A. in anthropology, and more than 15 years of diverse professional experience at DRI, Mr. Page has acquired a varied skillset and an interdisciplinary focus in anthropology and geology. He has interests in prehistoric archaeology, hunter-gatherer mobility, toolstone geochemistry, and geoarchaeological studies. His specialties include cultural resources project management, geologic applications in archaeology, GIS project management, logistical planning, quality control, technical writing, and research publication support and production.

- archaeological research, fieldwork, cultural resources management (CRM) project management, detailed analysis of lithic tools and ceramic artifacts
- geologic/geomorphic mapping, predictive modelling, geoarchaeological investigations, soils analysis, ground penetrating radar (GPR), trace and whole rock geochemical studies using X-ray fluorescence (XRF) and handheld pXRF analyzers
- detailed in-field GPS survey and mapping using Trimble products
- GIS project management using ESRI products

### Education

---

2008 M.A. in Anthropology (Prehistoric Archaeology), University of Nevada, Reno

2001 B.S. in Geology (emphasis in Geoarchaeology), Utah State University

### Professional Employment

---

2015-present Soil Characterization and Quaternary Pedology Laboratory Lead,  
Division of Earth and Ecosystem Sciences, Desert Research Institute,  
Reno, NV.

2008-present Assistant Research Scientist Archaeology, Division of Earth and  
Ecosystem Sciences, Desert Research Institute, Reno, NV.

2000-2008 Archaeological Technician, Division of Earth and Ecosystem Sciences,  
Desert Research Institute, Las Vegas, NV and Reno, NV.

### Professional Presentations

---

**Page, D.**

2007a *Early Use of Fine-Grained Volcanics (FGV) in the Bonneville Basin of Western Utah & Eastern Nevada.* Paper presented at the 72<sup>nd</sup> Annual Society for American Archaeology Conference, Austin, TX.

2007b *Early Use of Fine-Grained Volcanics (FGV) in the Bonneville Basin of Eastern Nevada & Western Utah.* Paper presented at annual meeting of the Nevada Archaeology Association, Ely, NV.

2007c *Early Basalt Use in the Bonneville Basin of Western Utah & Eastern Nevada.* Presented at the April meeting of the AM-ARCS of Nevada, Reno, NV.

2006 *Paleoarchaic to Archaic Transitions in Basalt Use: Preliminary Sourcing Results from the Bonneville Basin.* Paper presented at the 30<sup>th</sup> Biennial Great Basin Anthropological Conference, Las Vegas, NV.

### Professional Posters

---

Madsen, D. B., D. N. Schmitt, and **D. Page**

2014 *The Paleoarchaic Occupation of the Old River Bed Delta, Utah - Introduction and Summary.* Poster presented at the 34th biennial Great Basin Anthropological Conference, Boise, Idaho.

Madsen, D. B., C. G. Oviatt, D. C. Young, and **D. Page**

2014 *Chronology and Geomorphology of the Old River Bed Delta Wetlands.* Poster presented at the 34th biennial Great Basin Anthropological Conference, Boise, Idaho.

**Page, D.** and D. Duke

2014 *Paleoindian Toolstone Convergence on the Old River Bed Delta.* Poster presented at the 34th biennial Great Basin Anthropological Conference, Boise, Idaho.

D. N. Schmitt, **D. Page**, and D. B. Madsen

2014 *Paleoarchaic Surface Archaeology in the Proximal Old River Bed Delta.* Poster presented at the 34th biennial Great Basin Anthropological Conference, Boise, Idaho.

Clark, D. L., C. G. Oviatt, and **D. Page**

2011 *Interim Geologic Map of Dugway Proving Ground and Adjacent Areas, Tooele County, Utah*. Rocky Mountain (63rd Annual) and Cordilleran (107th Annual) Joint Meeting, Logan, Utah.

Rhode, D., D. Schmitt, **D. Page**, R. Quist, and J. Feathers

2011 *Starch Grains, Bunny Bones, and Luminescence Dates From FCR Features at the One-Eyed Rabbit Site, Dugway Proving Ground, Utah*. Poster presented at the 76<sup>th</sup> Annual Meeting of the Society for American Archaeology, Sacramento.

**Page, D.**, and Dave N. Schmitt

2010 *Two Newly-Discovered Quarry Sites and the Timing and Nature of Toolstone Acquisition in Dugway Proving Ground, Southern Great Salt Lake Desert, Utah*. Poster presented at the 32nd biennial Great Basin Anthropological Conference, Layton, Utah.

**Page, D.**, and Craig Skinner

2008 *Obsidian Source Use at Danger Cave*. Poster presented at the 31st biennial Great Basin Anthropological Conference, Portland.

Duke, D., **D. Page**, and D. C. Young

2008 *Dating a Paleoindian Landscape with Obsidian Artifacts and Geoarchaeology*. Poster presented at the 72<sup>nd</sup> Annual Meeting of the Society for American Archaeology, Vancouver.

Johnson, W. G., and **D. Page**

2003 *Digital Fieldwork: GIS Technologies to Replace the Field Notebook*. Poster presented at the 68<sup>th</sup> Annual Meeting of the Society for American Archaeology, Milwaukee.

## Reports

---

**Page, D.** and D. N. Schmitt

2014 *A Class III Cultural Resource Inventory of Air Force Use Areas, U.S. Army Dugway Proving Ground, Tooele County, Utah*. Project No. U-12-DA-1057m. Report on File, Division of Environmental Programs, Dugway Proving Ground, Utah.

Schmitt, D. N. and **D. Page**

2014 *A Class III Cultural Resource Inventory in Support of Phase 8 of the PD-Tess Range Modernization Project, U.S. Army Dugway Proving Ground, Tooele County, Utah*. Project No. U-12-DA-1059m. Report on File, Division of Environmental Programs, Dugway Proving Ground, Utah.

Rhode, D., **D. Page, D.**, and D. N. Schmitt

2014 *A Class III Cultural Resource Inventory of the White Sage Training Area, U.S. Army Dugway Proving Ground, Tooele County, Utah.* Project No. U-12-DA-1058m. Report on File, Division of Environmental Programs, Dugway Proving Ground, Utah.

**Page, D.** and D. N. Schmitt

2014 *A Class III Cultural Resource Inventory and Site Protection Measures in Support of Testing and Training, U.S. Army Dugway Proving Ground, Tooele County, Utah.* Project No. U-09-DA-0697m. Report on File, Division of Environmental Programs, Dugway Proving Ground, Utah.

**Page, D.** and D. N. Schmitt

2014 *A Class III Cultural Resource Inventory in Support of Phase 7 of the PD-Tess Range Modernization Project, U.S. Army Dugway Proving Ground, Tooele County, Utah.* Project No. U-11-DA-0784m. Report on File, Division of Environmental Programs, Dugway Proving Ground, Utah.

**Page, D.,** D. N. Schmitt, and D. Rhode

2014 *A Class III Cultural Resource Inventory of the Baker Strong Point Parcel in Support of Testing and Training, U.S. Army Dugway Proving Ground, Tooele County, Utah.* Project No. U-09-DA-0697m. Report on File, Division of Environmental Programs, Dugway Proving Ground, Utah.

**Page, D.** and D. N. Schmitt

2013 *National Register of Historic Places (NRHP) Integrity Evaluation for the Lincoln Highway, U.S. Army Dugway Proving Ground, Tooele County, Utah.* Project No. U-11-DA-0785m. Report on File, Division of Environmental Programs, Dugway Proving Ground, Utah.

**Page, D.,** and D. N. Schmitt

2012 *A Class III Cultural Resource Inventory in Support of Phase 6 of the PD-Tess Range Modernization Project, U.S. Army Dugway Proving Ground, Tooele County, Utah.* (Utah Project No. U-11-DA-0783m). Copies available from Cultural Resource Management Office, U.S. Army Dugway Proving Ground, Dugway, Utah.

**Page, D.,** and D. N. Schmitt

2012 *A Class III Cultural Resource Inventory of 2,693 Acres in Support of Training Area Expansion, U.S. Army Dugway Proving Ground, Tooele County, Utah.* (Utah Project No. U-11-DA-0571m). Copies available from Cultural Resource Management Office, U.S. Army Dugway Proving Ground, Dugway, Utah.

**Page, D.,** D. N. Schmitt, D. Rhode, and A. Sapula

2012 *A Class III Cultural Resource Inventory in Support of Phase 3 of the PD-Tess Range Modernization Project, U.S. Army Dugway Proving Ground, Tooele County, Utah.* (Utah

Project No. U-10-DA-0549m). Copies available from Cultural Resource Management Office, U.S. Army Dugway Proving Ground, Dugway, Utah.

**Page, D., D. N. Schmitt, G. Dalldorf, and B. Wazaney**

2012 *A Class III Cultural Resource Inventory in Support of Phase II of the PD-Tess Range Modernization Project, U.S. Army Dugway Proving Ground, Tooele County, Utah.* (Utah Project No. U-09-DA-0237m). Copies available from Cultural Resource Management Office, U.S. Army Dugway Proving Ground, Dugway, Utah.

**Schmitt, D. N., and D. Page**

2012 *A Class III Cultural Resource Inventory in Support of Phase 5 of the PD-Tess Range Modernization Project, U.S. Army Dugway Proving Ground, Tooele County, Utah.* (Utah Project No. U-11-DA-0032m). Copies available from Cultural Resource Management Office, U.S. Army Dugway Proving Ground, Dugway, Utah.

**Schmitt, D. N., D. Page, B. Wazaney, and G. Dalldorf**

2012 *A Class III Cultural Resource Inventory of the UAS Loiter Area North of MAAF, U.S. Army Dugway Proving Ground, Tooele County, Utah.* (Utah Project No. U-10-DA-0834m). Copies available from Cultural Resource Management Office, U.S. Army Dugway Proving Ground, Dugway, Utah.

**Page, D., D. N. Schmitt, and A. Sapula**

2011 *A Class III Cultural Resource Inventory of the Kathy Drop Zone (DZ), U.S. Army Dugway Proving Ground, Tooele County, Utah.* (Utah Project No. U-10-DA-0835m). Copies available from Cultural Resource Management Office, U.S. Army Dugway Proving Ground, Dugway, Utah.

**Page, D., and D. N. Schmitt**

2011 *An Intuitive Archaeological Reconnaissance and Recordation of Two Toolstone Quarries in the Southern Cedar Mountains, U.S. Army Dugway Proving Ground, Tooele County, Utah.* (Utah Project No. U-10-DA-0008m). Copies available from Cultural Resource Management Office, U.S. Army Dugway Proving Ground, Dugway, Utah.

**Rhode, D., D. Page, and D. N. Schmitt**

2011 *Archaeological Data Recovery at Site 42To0567 in the Wig Mountain Training Area, U.S. Army Dugway Proving Ground, Tooele County, Utah.* (Utah Project No. U-07-DA-1447m(e)). Copies available from Cultural Resource Management Office, U.S. Army Dugway Proving Ground, Dugway, Utah.

**D. Page and D. N. Schmitt**

2010 *A Class III Cultural Resource Inventory of the Northwest All Purpose Grid Area & RHR Parcel, U.S. Army Dugway Proving Ground, Tooele County, Utah.* U-08-DA-0872m. Copies available from Cultural Resource Management Office, U.S. Army Dugway Proving Ground, Dugway, Utah.

Schmitt, D. N., **D. Page**, and M. Memmott

2010 *A Class III Cultural Resource Inventory for Phase I of the PD-TESS Project, U.S. Army Dugway Proving Ground, Tooele County, Utah*. U-08-DA-0873m. Copies available from Cultural Resource Management Office, U.S. Army Dugway Proving Ground, Dugway, Utah.

2002 *A Class III Cultural Resources Reconnaissance for Installation of Seismic Monitoring Stations at USW-SD-9 and USW-WT-2 in Association with the Yucca Mountain Site Characterization Project, Nye County, Nevada.* Desert Research Institute Cultural Resources Reconnaissance Short Report No. SR071102-1.

Varley, K., with contributions by S. Eskenazi, S. Ferguson, **D. Page**, S. Rowland-Fleischmann, and Cheryl Martin

2002 *The Watchman Site (42WS126) Zion National Park, Utah.* National Park Service and Desert Research Institute. Cooperative Agreement Number: CA-1590-9-0001. National Park Service Publication.

Ferguson, S., K. Varley, S. Rowland-Fleischmann, and **D. Page**

2002 *A Class III Cultural Resources Reconnaissance of the English Village Reseeding Project, Dugway Proving Ground, Utah.* Project No. U-02-DA-0615m. Copies available from Cultural Resource Management Office, U.S. Army Dugway Proving Ground, Dugway, Utah.

**Page, D.**, S. Rowland-Fleischmann, K. Varley, S. Ferguson, and C. Martin

2002 *A Class III Cultural Resources Reconnaissance of 754 Acres in the White Sage Training Area, Dugway Proving Ground, Utah.* Project No. U-02-DA-0495m. Copies available from Cultural Resource Management Office, U.S. Army Dugway Proving Ground, Dugway, Utah.

Ferguson, S., K. Varley, and **D. Page**

2002 *A Class III Cultural Resources Reconnaissance of the 2002 Cedar Mountain Fire – Southern End, Dugway Proving Ground, Utah.* Project No. U-02-DA-0545m. Copies available from Cultural Resource Management Office, U.S. Army Dugway Proving Ground, Dugway, Utah.

**Page, D.**, S. Ferguson, and K. Varley

2002 *A Class III Cultural Resources Reconnaissance of the Baker Area for a Proposed Perimeter Fence, Dugway Proving Ground, Utah.* Project No. U-02-DA-0266m. Copies available from Cultural Resource Management Office, U.S. Army Dugway Proving Ground, Dugway, Utah.

**Page, D.** and K. Varley

2001a *A Class III Cultural Resources Reconnaissance for the Proposed Reclamation of 6 of 41 Decommissioned Analog Seismic Stations in the Yucca Mountain Project Area and Vicinity, in Association with the Yucca Mountain Site Characterization Project, Nye*

*County and Lincoln County, Nevada.* Desert Research Institute Cultural Resources Reconnaissance Short Report No. SR100101-1.

2001b *A Class III Cultural Resources Reconnaissance for the Proposed Reclamation of Two Decommissioned Analog Seismic Stations in Association with the Yucca Mountain Site Characterization Project, Lincoln County, Nevada.* Bureau of Land Management (BLM) Report NV04-02-1418P.

**Page, D., C. Martin, and K. Varley**

2001 *A Class III Cultural Resources Reconnaissance for the Proposed Reclamation of Twenty-seven of Forty Seismic Shotholes and One of Three Miscellaneous Disturbances in the Yucca Mountain Project Area, in Association with the Yucca Mountain Site Characterization Project, Nye County, Nevada.* Desert Research Institute Cultural Resources Reconnaissance Short Report No. SR101701-1.

2002 *A Class III Cultural Resources Reconnaissance in Preparation for the Precast Yard Expansion in Association with the Yucca Mountain Site Characterization Project, Nye County, Nevada.* Desert Research Institute Cultural Resources Reconnaissance Short Report No. SR020102-1.

**Page, D., C. Martin, K. Varley, and G. Haynes**

2002 *Report on Fiscal Year 2001 Yucca Mountain Project Archaeological Monitoring Activities.* Desert Research Institute Cultural Resources Reconnaissance Short Report No. SR100300-1.

Eskanazi, S. B. and **D. J. Page** (W. G. Johnson, Principal Investigator)

2001 *Data Recovery Plan and Research Design for Recovery Efforts at 42To0567, Dugway Proving Ground, Tooele County, Utah.* Prepared for the Utah National Guard.

Martin, C., **D. Page**, S. Rowland-Fleischmann, and K. Varley

2001 *A Class III Cultural Resources Reconnaissance of Analog Seismic Station PPK in Association with the Yucca Mountain Site Characterization Project, Inyo County, California.* Desert Research Institute Cultural Resources Reconnaissance Short Report No. SR121701-1.

Martin, C., S. Rowland-Fleischmann, K. Varley, and **D. Page**

2001a *Two Archaeological Sites were Identified and Recorded During Miscellaneous Surveys for Fiscal Year 1997 in Association with Miscellaneous Yucca Mountain Site Characterization Activities.* Desert Research Institute Cultural Resources Reconnaissance Short Report No. SR021997-1.

2001b *A Class III Cultural Resources Reconnaissance of Two Water Sampling Study Areas in Association with the Yucca Mountain Site Characterization Project, Nye County, Nevada.* Desert Research Institute Cultural Resources Reconnaissance Short Report No.

SR112001-1.

Martin, C., **D. Page** and K. Varley

2001 *A Class III Cultural Resources Reconnaissance of Analog Seismic Station PPK in Association with the Yucca Mountain Site Characterization Project, Inyo County, California.* Bureau of Land Management (BLM) Report CA-650-02-12.

Rowland-Fleischmann, S., K. Varley and **D. Page**

2001a *A Class III Cultural Resources Reconnaissance for Proposed Geophysical Tests (Spectral-Analysis-of-Surface-Wave Measurements, and Shear-wave Refraction Measurements) on Yucca Mountain Crest, in Association with the Yucca Mountain Site Characterization Project, Nye County, Nevada.* Desert Research Institute Cultural Resources Reconnaissance Short Report No. SR062001-1.

2002b *A Class III Cultural Resources Reconnaissance for the Tank Pad Preparation at the Booster Tanks, in Association with the Yucca Mountain Site Characterization Project, Nye County, Nevada.* Desert Research Institute Cultural Resources Reconnaissance Short Report No. SR020502-1.

Varley, K. and **D. Page**

2001 *A Class III Cultural Resources Reconnaissance of Selected Areas, Baker Strong Point, Dugway Proving Ground, Utah.* Project No. U-01-DA-0277m. Copies available from Cultural Resource Management Office, U.S. Army Dugway Proving Ground, Dugway, Utah.

Varley, K., S. Rowland-Fleischmann, and **D. Page**

2001 *A Class III Cultural Resources Reconnaissance of 8 Proposed Reclamation Areas of Site-Characterization Trenches and Pits and Site Monitoring of 12 Locations, in Association with the Yucca Mountain Site Characterization Project, Nye County, Nevada.* Desert Research Institute Cultural Resources Reconnaissance Short Report No. SR110698-1.

2003-present	Society for American Archaeology (SAA)
2008-present	Register of Professional Archaeologists (RPA)
2015-present	Nevada Archaeological Association (NAA)

### **Select Professional Experience**

---

May 2015	Assisted with joint DRI/National Park Service training “Geomorphology for Archaeologists”, Desert Research Institute, Las Vegas, NV
----------	---

- November  
2014-present Lithic Analyst, analysis of collected artifacts from five sites and XRF geochemical characterization of obsidian artifacts, Desert Research Institute, Reno, NV, TPECR to R74B FOL Data Recovery Project, Nevada Test and Training Range, Nye County, NV
- September-  
Oct. 2014 Project Lead/PI, Desert Research Institute, Reno, NV, Geologic investigation of Browns Bench obsidian in portions of Idaho, Nevada, and Utah.
- September 2000-  
August 2014 Project Co-director with assistance from Dave Schmitt, David Rhode, David Madsen, Kerry Varley, Desert Research Institute, Reno, NV and Las Vegas, NV, formal inventory of ca. 120,000 acres and recordation of ca. 1800 archaeological sites as part of 47 separate task orders, Dugway Proving Ground, Tooele County, UT and Millard County, UT
- October-  
December 2013 Project Lead/PI, Desert Research Institute, Reno, NV, Completed a National Register of Historic Places (NRHP) Integrity Evaluation for the Lincoln Highway on Dugway Proving Ground, UT
- May 2010 Project Co-director in cooperation with David Madsen, Desert Research Institute, Reno, NV, Geomorphic trenching investigation in Old River Bed Delta, 21 backhoe trenches, Dugway Proving Ground, UT
- March-  
October 2010 Project Lead, Desert Research Institute, Reno, NV, Site Protection Efforts and Seibert Stake Installation, 35 sites, Dugway Proving Ground, UT
- June 2009 PI/Project Director, Desert Research Institute, Reno, NV, Lander Endowment funded Lincoln Highway Project, "*Lincoln Highway through the Great American Desert*", Tooele County, UT
- October 2008 Project Lead/Co-PI in cooperation with Dave Schmitt, Desert Research Institute, Reno, NV, Geologic investigation of quartzite and CCS toolstone in the Cedar Mountains, Dugway Proving Ground, UT
- September 2008 Project Co-director in cooperation with David Madsen, Desert Research Institute, Reno, NV, Geomorphic trenching investigation in Old River

- Bed Delta, 26 backhoe trenches, GPR study, Dugway Proving Ground, UT
- June-October 2008 Project Co-director in cooperation with Dave Schmitt, Desert Research Institute, Reno, NV, Data recovery and mitigation of 90 acre site, Dugway Proving Ground, UT
- June-July 2007 Field Archaeologist, Desert Research Institute, under the direction of David Rhode, Reno, NV, Tibetan Paleolithic Project, western China/Tibetan Plateau
- May 2007 GPS/GIS Technician, Desert Research Institute, under the direction of David Madsen, Reno, NV, Dugway Proving Ground, UT
- June 2006 Field Archaeologist, Desert Research Institute, under the direction of Dave Schmitt, Reno, NV, Data recovery and mitigation of 4 sites, Dugway Proving Ground, UT
- March 2006 GPS/GIS Technician, Desert Research Institute, under the direction of David Madsen, Reno, NV, Dugway Proving Ground, UT
- July 2002-March 2006 Project Co-Director/Field Supervisor, under the direction of David Rhode, Dave Schmitt, and Kerry Varley, Desert Research Institute, Reno, NV, Las Vegas, NV, Class III Inventory of a combined 4487 acres, mapping and recordation of 136 sites, in Association with the Yucca Mountain Site Characterization Project, Nye County, Nevada.
- December 2005 GPS/GIS Technician, Desert Research Institute, under the direction of Todd Caldwell, Reno, NV, Sample Vegetation Mapping, National Training Center, Fort Irwin, CA
- June-July 2005 Field Archaeologist, Desert Research Institute, under the direction of David Rhode and Dave Schmitt, Reno, NV, Class III Inventory of 822 acres, mapping and recordation of 33 sites, Mineral County, NV
- June 2005 Field Archaeologist, Desert Research Institute, under the direction of Dave Schmitt, Reno, NV, Data recovery and testing of three prehistoric sites, Elko County, NV
- December 2004-

- March 2005 GIS Technician, Desert Research Institute, under the direction of David Rhode, Reno, NV, Mapping and characterization of 219 archaeological sites associated with the Borealis Mine Project, Hawthorne, NV
- May 2004 Field Archaeologist, Desert Research Institute, under the direction of Kerry Varley, Las Vegas, NV, Data recovery and testing of site 42To1892, Dugway Proving Ground, UT
- February 2004 Geomorphic Mapping/GIS Technician, Desert Research Institute, under the direction of Tom Bullard, Reno, NV, Geomorphic characterization and mapping of four USGS quadrangles, National Training Center, Fort Irwin, CA
- December 2003 GPS/GIS Technician, Desert Research Institute, under the direction of Eric McDonald, Reno, NV, Site Characterization of 20 acres, National Training Center, Fort Irwin, CA
- October 2003 Field Archaeologist, Desert Research Institute, under the direction of William Johnson, Las Vegas, NV, Data recovery and testing of site 42To0567, Dugway Proving Ground, UT
- September 2002 Department of Energy Soil Cover Analog Project- Kiva Excavation Subtask, Desert Research Institute, under direction of David Rhode, Reno, NV, Edge of Cedars State Park, Blanding, UT
- July 2002 Field Archaeologist, Desert Research Institute, under direction of David Rhode and Kerry Varley, Las Vegas, NV, Site 26NY7869: Surface Collection and Testing, in Association with the Yucca Mountain Site Characterization Project, Nye County, Nevada.
- July 2000 Attended Great Basin Archaeology and Paleoecology Field School, University of Nevada, Las Vegas, under the direction of Ted Goebel.
